HAPPY BIRTHDAY TO US!

LIME MAGAZINE CELEBRATES ITS FIRST BIRTHDAY THIS AUGUST

This August Lime Magazine celebrates its first birthday and what a year it's been! Lime has grown from strength to strength and has quickly become London's most exciting publication. As the capital's leading cultural arts listings guide, we have made it our mission statement to recommend to you the best theatre productions, gigs, comedy shows, exhibitions, places to eat, films, events, concerts and clubs, plus interviews and reviews with some of the most exciting talents in entertainment.

Lime's publisher, Got Media, said of the milestone: "I feel proud of the effort Team Lime has made and humbled and blessed by the response our publication has received from our readers, who have let us know every month, without fail from our first issue, how valued and needed our publication is to them and to our community. This makes the blood, sweat and tears that go into every issue of Lime - well worth it!"

In the last 12 months we have crammed in an awful lot and championed ground-breaking productions like, *Welcome to Thebes*, *Cat on a Hot Tin Roof*, *Angie Le Mar's Do You Know Where Your Daughter Is?*, *Sucker Punch*, *Fela!* and *Into The Hoods*. Lime has also interviewed some of the most engaging talent in entertainment right now, including *Idris Elba*, *Des C*, *B.O.B*, *Noel Clarke*, *Gabrielle Sidibe*, *Sanaa Lathan*, *Nneka*, *K'NAAN*, *Akala*, *Shizzio*, *Tinchy Stryder*, *Trey Songz*, *Eddie Kadi*, *Salt N Pepa* and *Toni Braxton*.

Lime's editor, Sophia A Jackson said: "Thank you to Team Lime and everyone who has made Lime magazine the success it is. I feel blessed and inspired to be working with so many talented individuals on a daily basis. The fact we have made it to a year despite the climate being the way it is – is nothing short of a miracle. Here's to many more years of Lime and watching it grow from strength to strength".

Launched in January 2010, Lime's website www.comelime.com has also grown and has become a must visit website for events, competitions and features. Not only can you read the latest issue of the magazine online, you can now purchase tickets to some of the best events in town via our partner, Ticketmaster – the UK's number one ticket purchasing agency.

Lime's features editor Michelle Adabra said: "It's been an incredible journey for all of us here at Lime. I'm so proud of everything we have achieved as a team and I want to thank everybody who has supported us."

Notes to Editors

Background

Lime was founded in August 2009 by three former New Nation employees, Dean Serieux (Lime's head of sales), Michelle Adabra (Lime's features editor) and Sophia A Jackson (Lime's editor). Determined to bring something fresh, fun and community-based into the market, the trio decided to draw on their combined expertise to create a publication with something to offer the whole family.
